Convertible Top Restoration and Installation Fred Mattson, 2019-05-13

There's an old saying we've all heard before that goes "When the top goes down the price goes up." Of all the projects involved with the restoration of your collector car, few seem as challenging or confusing as addressing the convertible top. Due to aging and neglect, the hardware and fabric covering have led to some not-so-nice conditions, making it difficult to find information addressing your specific model. Fred Mattson, author of *Automotive Upholstery and Interior Restoration*, delivers this compilation on restoring and repairing convertible tops. Step-by-step photo sequencing walks you through convertible top applications for Corvettes, Ford retractable tops, scissors tops, manual tops, and power tops. Fred also addresses the weather seals, well liners, hydraulic electrical systems, adjustments, materials, and pads. No other book ever produced on convertible tops goes into this much depth of coverage. With this book, you will be guided through the convertible top repair/restoration process in an easy-to-read how-to format so there should be no reason to fear taking your drop top out with the threat of rain. **Convertible Top Restoration and Installation** will be the one tool that will show you how important a well-sorted top restoration is not only for practical reasons such as staying dry but for cosmetic reasons as well.

The Boy from the Cave

Mark A. Bannon, An unforgettable and inspiring memoir about a lost boy and his quest for purpose. After his childhood was turned upside down, Mark Bannon found himself living in poverty in a concrete bunker deep in the woods of New Hampshire, dubbed The Cave. After running away from home, Mark embarked on decades of reckless exploits that ultimately led to an around-the-world quest for deeper meaning and purpose. Despite a beautiful family, commendable achievements, and even after a 15-year dive into Eastern religions, philosophies, and practices, Mark found himself lost, empty, and at the end of his rope. But an unexpected encounter took him from dunking in the Ganges River to reading the Bible and finally meeting the God who brought him into the light. *The Boy from the Cave* is an extraordinary voyage of self-discovery and faith. As you immerse yourself in Mark's captivating memoir that examines the burdens of shame and dysfunction, you will find your own perspectives challenged, your spirit uplifted, and your heart inspired to embrace change. Through Mark's extraordinary journey, you will find the courage to transform your own life, rekindling hope, igniting faith, and living with unwavering love.
