

**Easy come. Easy go.
Easy to start.
And very smart!**

In case you haven't caught on yet, Honda's making it hard for you not to love the amazing little Honda Express™.

Its genius is its simplicity. No pedals to push. No gears to shift. And it starts with a quick turn of the key, tap of the foot and squeeze of the lever.

Zip to school, stop and shop, scoot to work, run on down to where you do your running — the Honda Express delivers you in style.

At only pennies a mile.

As you can see, the Honda Express expresses itself with two distinct personalities for 1979. The snappy, popular standard Express. The rakishly styled Express™II with its new comfort-contoured saddle.

Any way you go, with up to 100 miles to the gallon and no major service for a year or a thousand miles, is there a cheaper motorized way of going? Or a smarter way?

If it all sounds too good to be true, remember this: Honda's always made the incredible look easy.

And now for the kicker. There's another nice feature on the Honda Express — its price. Just see your nearby Honda motorcycle dealer and discover how easy it is to buy.
