Resale Price Maintenance and Vertical Territorial Restrictions Barbora Jedlicková, 2016-03-25 Theoretical discussions among competition lawyers and economists on the approach to Resale resale Price price Maintenance maintenance RPM and Vertical vertical Territorial territorial Restrictions restrictions VTR have often caused controversy However commentators agree that there is a lack of comprehensive study surrounding the topic This book explores these two forms of anticompetitive conduct from legal historical economical and theoretical points of view focusing on the EU and US experiences The author expertly goes beyond the current legal practice to explain among other things what approach should apply to RPM and VTR and why RPM and VTR are introduced in situations where procompetitive theories would not make economic sense or do not apply in practice The book takes account of economic values such as efficiency and welfare as well as other values such as freedom fairness and free competition Scholars and students of law will find the book s depth of legal economic and historical analysis to be a rich contribution to the scholarship This book will also be of use to EU and US practitioners and enforcers dealing with RPM and VTR cases

The Customs Valuation Agreement Mark K. Neville, 2023-03-09 Global Trade Law Series Volume 58 Customs valuation is a key element in the corpus of international trade law Despite the facts that the WTO Valuation Agreement 1994 remains unchanged in all material respects and that it has been adopted by virtually every trading nation on the planet there are fissures in the system preventing consensus on many contentious questions This extremely knowledgeable analysis by a world renowned specialist lawyer in the field by concentrating on diverging views on the nature of the central feature of the Agreement the definition of the price actually paid or payable PAPP provides the most extensive study available of the origins and architecture of the Valuation Agreement and its intersection with transfer pricing norms Among much else the author fully explains differing views on such questions as the following criteria governing royalties and license fees acceptability of the First Sale for Export doctrine role of transport charges in valuing dutiable assists status of interest payments on deferred payments valuation of carrier media bearing software for data processing equipment inclusion or exclusion of transport charges in the PAPP status of the WTO s moratorium on electronic transmissions status of payments of money for tools and other materials used in producing the imported goods and status of international instruments of traffic The author expertly assesses interpretations of the Valuation Agreement as presented in the instruments of the World Customs Organization and in the administrative and judicial fora of the United States Canada and the European Union This matchless book takes a giant step toward real world consensus on the daunting questions of custom valuation Customs and international tax professionals as well as academic scholars will come away from its in depth coverage with an enhanced ability to discern the logic inherent in the Valuation

Agreement a greater awareness of current trends and their origins in authoritative customs valuation bodies and improved confidence when approaching customs valuation questions
