The Miseducation of English Learners Grace P. McField, 2014-01-01 Sometimes you need to hear the story from the beginning The Miseducation of English Learners examines the initial policy impact of Structured English Immersion SEI an English only program mandated for English Learners ELs in California Arizona and Massachusetts in the United States The book features analyses of the legal context and parameters of SEI research history on SEI SEI language policy and policy implementation according to situated context and the educational priorities and legal rights of ELs The book examines the history of SEI in the educational research literature and as it has been interpreted in the context of the legal requirement for schools to take appropriate action to meet the needs of ELs following the historic *Lau v Nichols* 1974 court decision The Miseducation of English Learners also presents and considers the implementation of SEI in comparative contexts from various perspectives including teacher education the classroom and legal In several of the chapters SEI implementation is examined in concert with other factors that have effected the teaching and progress of ELs such as Senate Bill 2042 2001 that overhauled the teacher education process in California and the federal No Child Left Behind legislation signed into law on January 8 2002 Moreover the book provides implications and recommendations for teaching research advocacy and policy change The Miseducation of English Learners addresses and invites the readers to consider the following key questions How appropriate is the mandated SEI program for ELs both in substance and in the one year duration as specified in the three voter initiated propositions Proposition 227 Proposition 203 and Question 2 What issues themes and patterns can be noted in the implementation of SEI in California Arizona and Massachusetts Why might the student outcomes not show the desired results in measures such as achievement test scores or dropout rates What necessary changes are called for in order to enhance or in some cases supplant the SEI programs and services in place for ELs Are ELs parents and other stakeholders able to thoughtfully select desired and optimal instructional programs and participate meaningfully in the educational process of language minority students under the SEI mandates

Chicano School Failure and Success Richard R. Valencia, 2011-02-01 The third edition of the best selling collection *Chicano School Failure and Success* presents a complete and comprehensive review of the multiple and complex issues affecting Chicano students today Richly informative and accessibly written this edition includes completely revised and

updated chapters that incorporate recent scholarship and research on the current realities of the Chicano school experience. It features four entirely new chapters on important topics such as la Chicana two way dual language education, higher education and gifted Chicano students. Contributors to this edition include experts in fields ranging from higher education, bilingual education, special education, gifted education, educational psychology and anthropology. In order to capture the broad nature of Chicano school failure and success, contributors provide an in depth look at topics as diverse as Chicano student dropout rates, the relationship between Chicano families and schools and the impact of standards based school reform and deficit thinking on Chicano student achievement. Committed to understanding the plight and improvement of schooling for Chicanos, this timely new edition addresses all the latest issues in Chicano education and will be a valued resource for students, educators, researchers, policy makers and community activists alike.

Child and Adolescent Behavioral Health Edilma L. Yearwood, Geraldine S. Pearson, Jamesetta A. Newland, 2012-01-18. As an increasing number of children and adolescents with psychiatric symptoms go unrecognized in our current healthcare system, the ability to identify and treat these issues in multiple healthcare settings has become vitally important. With access to primary care providers increasing and a shortage of child psychiatric providers, collaboration between psychiatric, pediatric and family advanced practice nurses is essential to improving care for this vulnerable population. *Child and Adolescent Behavioral Health* provides a practical reference to aid in this endeavour. Written and reviewed by over 70 nurse experts, it is a must have reference for all practitioners caring for children and adolescents.

African American Psychology Faye Z. Belgrave, Kevin W. Allison, 2009-07-15. This core textbook provides students with comprehensive coverage of African American psychology as a field. Each chapter integrates African and American influences on the psychology of African Americans, thereby illustrating how contemporary values, beliefs and behaviors are derived from African culture translated by the cultural socialization experiences of African Americans in this country. The literature and research are referenced and discussed from the perspective of African culture, mostly West African, during the period of enslavement and other critical periods in this country, e.g. early 20th century civil rights era and through the present. Chapters provide a review of the research literature with a focus on applications for contemporary living.
