Positive Learning Environments: Establishing and Sustaining Productive Classrooms, 2024-10-01

How do you create a learning environment that's productive one where students are engaged learning and happy? And how do you ensure that inappropriate behaviours are kept to a minimum? The third edition of *Positive Learning Environments: Creating and Maintaining Productive Classrooms* introduces the key concepts teachers need to know to create and maintain their classroom as a positive learning environment. It introduces four essential components that are the cornerstones of creating a positive productive learning environment. It then examines each of the four main groups of evidence-based approaches to managing student behaviour: behavioural, cognitive, behavioural/psychoeducational and social justice approaches. By the end, readers are empowered to select appropriate theories, approaches and strategies and bring these together to develop their individualised classroom management plan.
