Politics and Governance of Basic Education Brian Levy, Robert Cameron, Ursula Hoadley, Vinodhan Naidoo, 2018-09-21 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations All over the world economic inclusion has risen to the top of the development discourse A well performing education system is central to achieving inclusive development but the challenge of improving educational outcomes has proven to be unexpectedly difficult Access to education has increased but quality remains low with weaknesses in governance comprising an important part of the explanation The Politics and Governance of Basic Education explores the balance between hierarchical and horizontal institutional arrangements for the public provision of basic education Using the vivid example of South Africa a country that had ambitious goals at the outset of its transition from apartheid to democracy it explores how the interaction of politics and institutions affects educational outcomes By examining lessons learned from how South Africa failed to achieve many of its goals it constructs an innovative alternative strategy for making process combining practical steps to achieve incremental gains to re orient the system towards learning **Durban and Surrounding Area** South Africa. Department of Posts and Telecommunications, 1974 **Global Perspectives on Microaggressions in Schools** Julie K. Corkett, Christine L.

Cho, Astrid Steele, 2021-05-17 Recognizing microaggression as an often unseen yet pervasive issue in schools globally this book offers critical examination of instances of aggression hostility and incivility in school contexts around the world Drawing on authors experiences and empirical analyses the volume puts forward practical recommendations to remedy such violence and tackle its root causes Global Perspectives on Microaggressions in Schools brings together contributions from South

Africa Australia Canada and the US to explore the various forms that microaggression can take Authors implement qualitative methodologies personal reflection and empirical literature to document microaggressions perpetrated by and directed against all members of the school community including students teachers school leaders and administrators In doing so they highlight ongoing issues including xenophobia sexual violence and prejudice against gifted students LGBTQ refugee and indigenous communities Looking forward the volume proposes practical ways to undermine such prejudices and prevent the occurrence of microaggressions through effective training policy leadership and student agency Given its rigorous approach and attention to widespread issues of school violence this book will be a timely resource for scholars researchers and academics with an interest in the sociology of education educational leadership school culture student well being and inclusive education In addition school leaders administrators and pre and in service educators may find benefit from reading this volume

Situated Practices of Strategic Planning Louis Albrechts, Alessandro Balducci, Jean Hillier, 2016-07-22 All over the world societies are facing a number of major problems New developments challenges and opportunities cause these issues and yet cases tell us that traditional spatial planning responses and tools are often insufficient to tackle these problems and challenges *Situated Practices of Strategic Planning* draws together examples from across the globe from France to Australia from Nigeria to the United States as it observes international comparisons of the strategic planning process Many approaches and policies used today fail to capture the dynamics of urban regional transformation and are more concerned with maintaining an existing social order than challenging and transforming it Stewarded by a team of highly regarded and experienced researchers this book gives a synthetic view of the process of change and frames future directions of development It is unique for its combination of analysis of international case studies and reflection on critical nodes and features in strategic planning This volume will be of interest to students who study regional planning academics professional planners and policy makers
