☐ Service Meeting:

Song 88

15 min: Family Worship That Refreshes. Interview a family regarding their family worship. Of what does their program consist? How do they determine what to discuss? What tools available on jw.org have they used? How has their program helped them in the ministry? How do they prevent other activities from disrupting their schedule? How have they benefited from their program of family worship?

15 min: “Improving Our Skills in the Ministry—Responding to Potential Conversation Stoppers.” Discussion. Consider two or three potential conversation stoppers that publishers may encounter, and invite comments on how we might respond. Remind publishers that they will have an opportunity to relate experiences during the week of April 7.

Song 97 and Prayer

Improving Our Skills in the Ministry—Responding to Potential Conversation Stoppers

Why Important: Imagine that you know that a natural disaster is imminent. People will die unless they flee to safety. You go to a neighbor’s home to warn him, but he interrupts you, saying that he is busy. Surely, you would not quickly abandon your efforts to help him! Many in our territory turn us away, not realizing the life-saving value

of our message. At the time of our visit, perhaps they are preoccupied. (Matt. 24:37-39) Or maybe they have been prejudiced by untrue rumors. (Matt. 11:18, 19) They might assume that we are no different from the religions that have produced bad fruitage. (2 Pet. 2:1, 2) If the householder initially is not interested, we should not be quick to give up.

How to Do It:

- Before preaching from house to house, take a few moments to think about potential conversation stoppers that you may encounter and consider how to respond.
- If the householder presents an objection, gently try to continue the conversation. Perhaps you can do that by commending him. For example, if he says that he has his own religion, you might reply, “I was hoping to find someone like you who has an interest in spiritual things.” Sometimes acknowledging the householder’s feelings or circumstances will enable you to continue giving a witness. For instance, if he says that he is busy, you might say: “I understand. But before I leave, I would like to give you this.” Another option is to ask a question if the householder says that he is not interested. You could say, “Do you mean that you are not interested in the Bible, or is it religion in general that does not interest you?”
- Use good judgment. Remember that Jehovah does not force people to listen. (Deut. 30:19) Everyone must carry his own load of spiritual responsibility. (Gal. 6:5) If the householder is adamant, it is best to take our leave. By demonstrating respect for his feelings, we may open the door for another publisher to give a witness in the future. —1 Pet. 3:15.

Try This During the Month:

- When you encounter a potential conversation stopper, after leaving the householder, discuss with your partner how you might have responded in a better way.

The War for Ukraine Mick Ryan, 2024-08-13 The Russo Ukraine War is a vital learning opportunity for military strategists across the globe The first and clearest lesson to be gleaned from it is this the soundness of a military's strategy and the nimbleness with which it can adapt to unforeseen circumstances are the two most important factors in deciding victory or defeat The War for Ukraine analyzes the war through these twin lenses of strategy and adaptation detailing how each army has succeeded or failed to plan for and adapt to this twenty first century war Author Mick Ryan examines the foundations of Ukrainian and Russian strategy for their

ongoing war looking back over several decades to reveal how both sides have evolved their military strategy and force structure Each has undertaken institutional level reforms of their military and national security enterprises in the decade leading up to this war But because the emergent behavior of military forces after fighting begins cannot be fully predicted these prewar reforms only constitute a starting point for adaptation during the war Part I of the book covers the role of strategic leadership with a focus on evolution of strategy since February 2022 From there the second part of the book delves into how the Ukrainians and Russians have adapted their tactics organizations operational approaches and strategic foundations for war making throughout the conflict Central to this discussion are the ways that regardless of cutting edge technology human elements have remained a crucial deciding factor in Ukraine Ryan shows how good leadership allows a nation to navigate the ambiguity and uncertainty of conflict while poor leadership leaves it vulnerable to surprises Likewise The War for Ukraine offers case studies of the importance of an institution s ability to nurture and reward human learning as it relates to combat The book provides strategists policymakers and military leaders with a basis from which to plan for constant adaption in military organizations General readers of contemporary global conflict will also find The War for Ukraine of great interest

The Politics of Spiritual Work in Christian Movements Aini Linjakumpu, 2025-08-06 This book examines how three conservative Christian movements Jehovah's Witnesses Conservative Laestadians and the Old Order Amish attribute

spiritual meanings to both paid employment and voluntary work and how work functions as a tool of governance within these communities. A central concept developed in this book is spiritual work used to describe forms of labour imbued with religious meaning and purpose. This book offers a detailed analysis of how religious interpretations of work regulate members' lives and sustain internal power dynamics. By tracing both the theological roots and social consequences of these interpretations, the study demonstrates that work is not merely an economic necessity but a central component of the moral and spiritual order within these movements. Framed by perspectives from the study of power and governance, this book identifies three key dimensions through which governance operates via work: shaping individual spirituality, reinforcing communal belonging and cohesion, and regulating the boundary between the religious community and the outside world.
