

Housing In Floria Essay

Introduction Florida is a bellwether state for the U.S. in that trends that occur in Florida tend to be experienced by the United States as a whole. Florida has pushed through some major events such as the Florida Housing Boom in the early 2000 s, the recession in the mid 2000 s, and the long but steady recovery phase towards the end of the 2000 s and modern times. This trend in housing occurred throughout the United States and was a key feature of the Great Recession. It is possible to better understand housing trends and economic effects by focusing on a particular example of housing in Florida. In addition to the direct relationship between prices and demand for condominiums in Florida, there is also a direct correlation of how events... Show more content on Helpwriting.net ...

Once prices fell below the Q1 2003 price actually dipped below the Q1 2003 prices and finally bottomed in 2012 at \$181 dollars. These prices fell enough below a reasonable market value that it started make financial sense that owners could start investing in these condos again. From this point onwards there is a clear and consistent rise in price from Q1 of 2013 to Q4 of 2016. This increase in price is linear in nature as opposed to the exponential growth of Q3 and Q4 of 2004, and therefore appears sustainable.

Changes in Economy in Relation to Price and Sales

With the beginning of the collapse of the housing boom in 2006, Florida slipped into approximately six years of nearly flat or negative growth within its economy. The dramatic decrease in condo prices anticipated the overall housing boom by a year and a half to two years. This makes sense because housing is a necessity, but luxury items such as condos are the first to go in economic crisis. The job and consumption growth slowed down as consumers saw rising debt payments on the record debt build up in the previous years. As a result, the debt squeeze left less money available for key household expenditures and housing in general and pushed many families over the edge with rising loan defaults and foreclosures.
