

## JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Wieseman,Sarah Bochicchio,2022-10-03 This fascinating new look at the artistic legacy of

the Tudors reveals the dynasty's enduring influence on the arts of Renaissance England and beyond. Ruling successively from 1485 through 1603, the five Tudor monarchs brought seismic changes to England that reverberated throughout Europe. They used the arts to legitimize and glorify their tumultuous rule from Henry VII's bloody rise to power through Henry VIII's breach with the Roman Catholic Church to the reign of the Virgin Queen Elizabeth I. With incisive scholarship and sumptuous new photography, this book explores the extreme politics and outsized personalities of the Tudors and how they used art in their diplomacy at home and abroad. Tudor courts were truly cosmopolitan, attracting top artists and artisans from across Europe. At the same time, the Tudors nurtured local talent and gave rise to a distinctly English aesthetic, one that is forever connected to the myth and visual legacy of their dynasty. The Tudors reveals the true history behind a family that has long captured the public imagination, bringing to life their extravagant and politically precarious world through the exquisite paintings, lush textiles, gleaming metalwork, and countless luxury objects that adorned their spectacular courts.
