and with unconscious feminine aspects of his psyche on the other These complexes were expressed for Kirsch in physical symptoms and emotional dilemmas and they led him into clinical boundary violations which were costly to his analysands his family and himself The text of these historical documents is translated with great attention to style and accuracy and generous editorial scaffolding gives glimpses into the writers world Four appendices are included two essays by Kirsch a series of letters between Hilde Kirsch and Jung and a brief incisive essay on the Medical Society for Psychotherapy This revised edition includes primary material that was unavailable when the book was first published as well as updated footnotes and minor corrections to the translated letters *The Medium and Daybreak* ,1884 **Catalogue of a ... collection of manuscripts formed by a gentleman of consummate taste [W.
