she said patting his hand as the strings stirred in a quiet but ominous tremolo quickly ushering in a sudden and violent orchestral tutti brassy and loud which filled the huge auditorium with the dark ferocity of the storm it depicted Vicki let the eruption pass through her finding herself carried by its torrential force allowing the moment to fill her with an awed respect for nature's power She knew that it could not last and the audience was soon deposited kindly into the peaceful meadow of the storm's passing Horn calls signaled the all clear and as one can always expect from Rossini the good humor and delicate social fun poking resumed

The Secretary's Seduction A Standalone Billionaire Boss and Secretary Love Story The funeral was short Laurel was surprised that she cried during the service It had been small primarily populated by Laurel and her husband's family He didn't have many friends and she had no family to speak of so the service was short and sweet The sky was unbearably bright and they held the service in the late afternoon Maybe not a sweet funeral but it was short Richard Ericson had died at the age of thirty five of a massive heart attack He had grown larger during the last five years of his life and made no effort to remain healthy despite the fact that he nagged at Laurel constantly to maintain her beauty for him Richard and Laurel had lived quietly side by side she kept the house and he went to his office job from eight to six He came home and she had dinner ready They never had children There was little love in the marriage Because there was such little love Laurel was surprised when a few tears slipped out as Richard was lowered into the ground Her mother in law patted her briskly on the shoulder The woman's face was tight and devoid of emotion as she gave her a stiff hug Without another word she walked to where her husband stood a somber man The two made a lovely emotionless pair Her mother and father in law were silent and shed few tears There was little love in the family as well Book 2 Saved by the Billionaire A Standalone Billionaire's Second Chance

Love Story The sun was rising gently pouring into my bedroom I stretched out in the sheets feeling them beneath my fingertips They felt better this morning softer and nicer I had met a boy It sounded silly but I had Not my type either There was no way around the fact he was a dork A nerd Silly and flustered when he spoke to me trying to make eye contact but failing because I was a cheerleader And I loved it He was so adorable that I couldn't stand it On a whim and three drinks later I had given him my number in hopes he'd contact me Book 3 Second Chance with the Billionaire A Standalone Billionaire Romance Short Story Breanna and Josh are two college students who are madly in love Sarah is Breanna's best friend and roommate Josh is a computer science student and Breanna is a cheerleader on a scholarship Josh is the valedictorian as well The three of them graduate together and start their new lives All goes well for Josh and Breanna in their new life until the unexpected happens They thought they had forever but when Josh gets something that he always wanted something he needs a hard decision has to be made Book 4 The Actress A Standalone Billionaire and Actress Erotic Romance Novel As Jan looked up the address of the hotel nearest LAX LA's airport A casting call looking for young female leads had caught her attention from the back of a literary magazine She was going out on a limb and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious it was something that she'd learned back many years ago Cheerleading had taught Jane a lot and often times her minds drifted back to the life lessons Teamwork was something that few people in high school seemed to understand besides maybe a few of the all star athletes Jane learned it took others to really excel She still believed that the individual was important but she saw them as cogs in a larger framework of other cogs WARNING This collection which contains some very steamy love scenes It is only appropriate for mature readers age 18
