Habit Building Manual:

The Habit Playbook Habit Playbooks, 2019-12-26 Have you tried over and over to form a habit and reach your goals Are you discouraged and feel like you will never be able to stick to a plan Does it seem like you never have the energy to accomplish all you want to get done This book is for the people who like myself were called lazy or unmotivated The people sold this idea often by the most successful that we have to focus on motivation to reach our goals It is for those who were told to just get it done by those who are more genetically or socially gifted than they are The ones left behind by the successful people determining how it should be done This book is for people who have tried over and over and need to see a different perspective Those who need a better context on how to put in place the concepts proven to work It is for those looking to build or rebuild their daily routines so that they can look and feel how they've always wanted It is for those who need to build momentum before that ever elusive motivation kicks in With that said It isn't a book meant to take the elite of the elite to a new level It wasn't created to help fitness competitors drop the last few pounds of fat It is not for those who are trying to go from great to really great It could help everyone in those categories but it wasn't created for them It is for those looking no matter the habit to get back to the basic levels of feeling looking and thinking better From there if you want to go to the next level I can help you with that as well The Playbook Includes 30 Day Social Media Habit Challenge Posts Stories and Captions set up for you in advance Ready made examples from past challenges Massive uncomfortableness at the start this is a good thing with a massive payoff after the 30 days 4 Principle Habit System When followed it makes it almost impossible not to complete the challenge 30 Day Habit Journal Monthly Tracker with a box to cross off each day Weekly Setup and Review Weekly and 30 Day Rewards Break the Glass Weekly Motivation Booster Daily Check in to Prepare and Review Heres What You'll Discover With The Habit Playbook How a 30 Day Social Media Habit Challenge will supercharge your accountability forcing you to accomplish habits you've never been able to before The strategy behind creating small habits that can turn into big habits on any day A fool proof system of reminders that will keep your habit at the front of your mind every day The keys to making habits so rewarding you'll wake up wanting to do them each day The magic of forcing functions to keep you on track when the stakes are high What makes this Habit Playbook so effective is its simplicity It doesn't contain drastically new material or never before seen content It works by consolidating the essentials into a simple and actionable plan for any habit
