EXTENSIVE READING: The Power and Blueprint for Literacy and Learning - Rajawali Pers. Nida Husna, Prof. Didin Nuruddin Hidayat, MA TESOL, Ph.D, 2025-04-03. Extensive Reading (ER) has emerged as a transformative approach to language learning, fostering not only linguistic proficiency but also a lifelong love for reading. As the world continues to navigate educational challenges and opportunities, the relevance of ER has only grown. Whether implemented in classrooms, libraries, or through digital platforms, ER offers learners a unique pathway to develop critical skills, cultural awareness, and personal growth. This book is the culmination of years of research, practice, and sharing among educators, researchers, and practitioners from diverse backgrounds. It aims to provide a comprehensive understanding of ER from its theoretical foundations to its practical applications, while addressing the challenges and innovations shaping its future. In these pages, you will find information on ER's cognitive and affective benefits, the types of programs that can be tailored to different learners, and strategies for evaluating and sustaining ER initiatives. We also delve into how ER can be adapted to meet the demands of the 21st century, integrating technology, interdisciplinary approaches, and global advocacy efforts. Each chapter reflects not only research-backed practices but also real-world lessons learned from over a decade of teaching and refining ER programs. This book is also a call to action. It invites readers to innovate, collaborate, and advocate for ER in their communities and institutions. By working together, we can ensure that ER continues to thrive as a cornerstone of education, equipping learners with the skills and knowledge they need to succeed in an ever-changing world. *The Science of Decision-Making* Tanisha Owens, 2023-06-08.
