An Unexpected Victory An Unexpected Fate Series Book 6:

Surprise Attack Ephraim KAM, Ephraim Kam, 2009-06-30 Ephraim Kam observes surprise attack through the eyes of its victim in order to understand the causes of the victim's failure to anticipate the coming of war. Emphasizing the psychological aspect of warfare, Kam traces the behavior of the victim at various functional levels and from several points of view in order to examine the difficulties and mistakes that permit a nation to be taken by surprise. He argues that anticipation and prediction of a coming war are more complicated than any other issue of strategic estimation involving such interdependent factors as analytical contradictions, judgemental biases, organizational obstacles, and political as well as military constraints. **Surprise Attack: The Victim's Perspective** offers implications based on the intelligence perspective, providing both historical background and scientific analysis that draws from the author's vast experience. The book is of utmost value to all those engaged in intelligence work and to those whose operational or political responsibility brings them in touch with intelligence assessments and the need to authenticate and then adopt them or discount them. Similarly, the book will interest any reader intrigued by decision-making processes that influence individuals and nations at war and sometimes even shape national destiny. God of No Fixed Address Jean-Claude Verrecchia, 2015-01-12 Where does God live? This is not an idle question. Does God dwell there near us or away from us? Does he live in one place or is he willing to relocate? Is it possible to visit his house and in this case what are the entrance requirements? Does he live in a closed place totally forbidden for any human visit? Answering these questions is the subject of *God of No Fixed Address*. The tone used is very accessible and sometimes even disturbing. Misconceptions about the Jewish sanctuary, the Jerusalem temple, and the sacrificial system of the Old Testament will be flattened down and swept away when necessary. They will triumph; the amazing divine will which takes man off balance, which refuses any confinement, which tears the sails and demolishes the stones to pitch his tent in every heart and in every community of faith. *God of No Fixed Address* is a journey for those who love discovering new territories.
