Beyond the Garden Wall Elizabeth Ann Kuhn,2023-06-06 The Confessions and Adventures of a Former Trappistine Nun reveals the difficulty she encounters after leaving the cloistered Cistercian abbey She realizes she must face her past in order to find identity in the outside world It is her conversion story This book is a sequel to her first book Behind the Wall Authorhouse 1663 Liberty Drive Bloomington Indiana 47403 www.behindthewallbook.com Her intention is not to cast an unfavorable light on any one or any institution but to find peace and healing despite all the difficulties she encounters and to

pray for lost souls souls lost like she was when she first came out and for lost shepherds who have failed to pasture their sheep Hopefully these souls will see how much God loves them and how He never gives up on them After seven years of prayer austerity and silence under simple vows she finds herself out in the modern world Returning from any religious order can be traumatic Silence reigns in a monastic cloister the only sound heard is the chanting of the Divine Office There is no contact with the outside world no TV phones newspaper nor visitors except for parents seen behind a double grill twice a year Coming out of this order is like returning from outer space and finding the world so different Emerging from this eternal silence all of a sudden she is thrust into this chaos of noise Her journey is to find a path through this rubble and feel at home with God beyond the cloistered walls The Cistercian novice studies for two years before she pronounces vows She does not take a vow of silence but silence permeates her whole being because that is where God lives After pronouncing vows she is then consecrated to God and becomes His spouse a bride of Christ Once something is consecrated to God you just don't throw it away It is burnt because it is holy She remains committed to God throughout her life hoping for union with Him here and hereafter This book was written with an abundance of love and concern for all those passing through troubling times and who are truly seeking God There are always a few bad apples in every profession but that does not necessarily make the profession or those who embrace it bad All things work together for the good of those who love God Rom 8 28 **Bulletin** United States.
