### Militarism (Section 2)

|   |                                                     |                                                                                                                                                                                                                  |
|---|-----------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | What is militarism?                                 | It was a military period in the late 1800's and early 1900's when competition consumed numerous countries.                                                                                                       |
| 2 | What caused militarism to spread throughout Europe? | When they expanded their military force , neighboring countries felt threatened and immediately began to increase there military strength, thus why they caused a steady build up of armed forces across Europe. |
| 3 | How was militarism used to prevent fighting?        | To intimidate enemies with military power and that let to fed growth of the armies.                                                                                                                              |

### Alliances (Section 3)

|   |                                                               |                                                                                                                                                              |
|---|---------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | What is an Alliance?                                          | An agreement between two or more nations to defend eachother if one of the countries is attacked.                                                            |
| 2 | Why did European countries think alliances would prevent war? | Because the nations would be defended if they are under attack and would keep peace because other countries would be deterred from attacking.                |
| 3 | How did alliances cause war to spread rapidly?                | Two major alliances formed and the triple entente consisted of France, Britain and Russia while the triple alliance was Germany, Austria- hungary and Italy. |

### Imperialism (Section 4)

|   |                      |                                                                                                                                   |
|---|----------------------|-----------------------------------------------------------------------------------------------------------------------------------|
