English in Films Volume 10: English as a Second Language Jon Michael Miller, 2011-10-20 English in Films is a series of classroom exercises for teachers of English as a Second Language for study at home students. The movies have been carefully selected for their language and cultural value in learning and improving one's English vocabulary, listening, conversation, writing, grammar, and American culture. Our approach is to have fun while learning and to learn in a multidimensional way. Answers are provided and the packets may be copied and edited for non-commercial use.
