11 3 Punchline Book B:

□□□ *NOW! NihonGO NOW!* Mari Noda, Patricia J. Wetzel, Ginger Marcus, Stephen D. Luft, Shinsuke Tsuchiya, Masayuki Itomitsu, 2025-12-29 NihonGO NOW is a beginning level courseware package that takes a performed culture approach to learning Japanese. This innovative approach balances the need for an intellectual understanding of structural elements with multiple opportunities to experience the language within its cultural context. From the outset, learners are presented with samples of authentic language that are context sensitive and culturally coherent. Instructional time is used primarily to rehearse interactions that learners of Japanese are likely to encounter in the future, whether they involve speaking, listening, writing, or reading. Level 1 comprises two textbooks with accompanying activity books. These four books in combination with audio files allow instructors to adapt a beginning level course such as the first year of college Japanese to their students' needs. They focus on language and modeled behavior, providing opportunities for learners to acquire language through performance templates. Online resources provide additional support for both students and instructors. Audio files, videos, supplementary exercises, and a teachers manual are available at <https://nihongonow.byu.edu>. This new edition includes additional Performance Practices and Tryouts and QR codes to access the audio materials. NihonGO NOW Level 1 Volume 2 Activity Book provides a wealth of communicative exercises and assessment tools for students working through the first semester of the NihonGO NOW course.

Dialogue in the Book of Signs Johnson Thomaskutty, 2015-07-14 Dialogue in the Book of Signs offers a polyvalent analysis of John 1:19-12:50 at the micro, meso, and macro levels. With the help of several synchronic methods including genre, narrative, rhetorical, and dramatic studies, the author analyzes the content, form, and function of John's dialogue. Thus, the divine-human dialogue, which is interwoven within the text, provides a key to the understanding of the dialogue between the narrator and the reader. In this volume, after setting a background and a theoretical framework, an extensive exploration of dialogue at the exchange, episode, and narrative levels is offered. The connection of dialogue with other literary aspects such as monologues, signs, I AM sayings, and metaphors is also established. Thus, this study provides a comprehensive understanding of dialogue in John 1:12.
