

[L]

"Perhaps to help," Salvadori says, "we put a city tax on hotels and restaurants. [Then] they said tourists would not come - but I say, tourists won't come for a few euros? I could not worry about hotels; I had to think of the Venetians. My battle was for the city. Because Venice is my heart."

[M] Tourism has been part of the Venetian landscape since the 14th century, when pilgrims stopped en route to the Holy Land. I ask Ortalli what is so different about tourism now. "Now, Venice gets giant cruise ships. The ship is ten stories high. You can't understand Venice from ten stories up. You might as well be in a helicopter. But it's not important. You arrive in Venice, write a postcard, and remember what a wonderful evening you had."

[N] "There goes another piece of Venice," Silvia Zanon, the teacher, said sadly when Camiceria San Marco, a 60-year-old clothing store, had to move to a smaller, less prime spot because the rent had tripled. Susanna Cestari worked there for 32 years. "It's like leaving the house where you were born," she said, while packing boxes for the move. At least ten hardware stores have gone out of business. In the Rialto market, souvenir sellers have replaced vendors who sold sausages, bread, or vegetables. Tourists will not notice; they do not visit Venice to buy an eggplant.

[O] Some people suggest that Venice's wounds are self-inflicted. "They don't want tourists," observes a former resident, "but they want their money." There is talk about implementing new policies to limit the number of tourists, imposing additional taxes, and urging visitors to avoid the high seasons of Easter and Carnevale. But tourism - together with the loss of resident population, and combined with the interests of hotel owners, gondoliers, and water taxi drivers who all have an interest in maximizing the influx of visitors - defies simple solutions.

[P] "Let me remind you, the loss of population ... is not only a problem in Venice but in all historical towns, not only Italy," cautions former Mayor Cacciari. "The so-called exodus, which dates back very far in time, is deep-rooted with the lodging issue." For some, a solution to Venice's troubles already seems out of reach. "It is too late," Gherardo Ortalli, the historian, says. "The stones will remain. The people won't."

[Q] But, for now, there is still life as well as death in Venice. Silvia Zanon, on her way to school, still crosses San Marco only to fall in love with the city again. And, assuming it is in season, you can still manage to buy an eggplant. The city's beauty, difficult and bruised, somehow survives.
