(Class – XI)

Question 12:

What difference do you see between studies of village and city school?

Answer 12:

There was a lot of difference in the studies of both the places. In village, more emphasis was given on Hindi & Urdu and very basic or elementary education was there. They focused more on physical wellbeing. In city, education system was entirely different from what he studied in village. There were subjects like English, Science, Social Science and Mathematics.

Not only this, they emphasized on music and extracurricular activities.

Question 13:

Was Grandma happy with the studies being done in the city?

Answer 13:

No, his grandmother was not happy with the kind of studies done in the city. She was against western education and hence English and other subjects were beyond her comprehension. She wanted like village school; there should also be education on religion and social development and she was strictly against music education.

Question 14:

How did the grandmother spend her time when the narrator went up to university?

Answer 14:

When the narrator goes to the university, the conversation becomes very less. His grandmother accepted the loneliness and spent most of her time in spinning the wheel and reciting prayers. She rarely talked to anyone. She used to take some time out to feed the birds only in the afternoon and it made her very happy.

Question 15:

Why did Khushwant think that grandmother would not be alive when he came from abroad after studying?

Answer 15:

It seemed to him because his grandmother was already very old and 5 years was a long time. Her walking style and health condition was poor, so it was easy to judge for grandson.

Question 16:

Was his grandmother in favor of him going abroad? How did she behave at the railway station?

Answer 16:

Her grandmother was not in favor of her grandson going abroad, but she did not object to it because she knew it was for his good sake. She didn't get emotional about it and was very normal there. She also went to railway station to drop him. At the station, she kept chanting the name of the Lord. Just before the train departed, she kissed her grandson's forehead and bid him farewell.

Question 17:

What was different on the day when narrator returned from abroad?

Answer 17:

When the narrator came back to his homeland, his grandmother jumped with joy. She didn't talk much like she did always. But something happened in the evening which surprised everyone. She called all the ladies
