12 Days Of Christmas Presents:

Celebrating The 12 Days of Christmas Chris Marchand, 2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In *Celebrating the 12 Days of Christmas* author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past

The 12 Days of Christmas Harry Rand, 2023-08-23 In the whole body of Christmas carols sung in English among the most famous and beloved is a song universally called The Twelve Days of Christmas Although its association with the holiday remains unquestioned the tune was originally a raucous drinking song with wildly different connotations This book documents the unfamiliar and distant history of one of the world s most well known holiday songs inextricably linked to the earliest celebrations of a festival suppressed by the Church itself The rowdy and mischievous tone of traditional Christmas has vanished as have the songs that accompanied the festival of drinking gambling fighting feasting and sex Modern participants of Christmas may be either embarrassed or pleased to discover the scandalous roots of a beloved holiday classic
