

# N.A. 12 STEPS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

*The Recovery Handbook: Understanding Addictions and Evidenced-Based Treatment Practices* Nicholas D. Young, Melissa A. Mumby, Jennifer A. Smolinski, 2020-10-06 Addiction is rapidly becoming one of the most significant challenges to mental health today According to the latest National Survey on Drug Use and Health NSDUH 2018 19 7 million Americans aged 12

and older battled a substance disorder alone in 2017. Additionally, 8.5 million of those individuals also suffered from a mental health disorder, with millions more suffering from a range of other addictive disorders and associated behaviors that interfere with physical, social, and emotional health. These alarming statistics highlight the crucial need for mental health providers to be kept up to date with the latest research on the full range of addiction treatment and recovery. *The Recovery Handbook: Understanding Addictions and Evidenced Based Treatment Practices* provides a comprehensive examination of the various forms of addiction, its physical and mental complexities, and unlike other sources on addiction, effective evidence-based interventions that promote a healthy recovery. Particular attention is given to the nature of addiction, including environmental, genetic, and developmental factors, with authors examining the short and long-term effects of a variety of addictions, such as drug, alcohol, gambling, food, sex, shopping, work, and video gaming, to name a few. This book will serve as a valuable resource for counselors, psychologists, professors, graduate students in the helping professions, as well as families of addicts, co-workers, and those suffering from addiction themselves.

Dr. Dickerson, His Dissertation, and God Leon Dickerson, 2004-09-13. Dr. Dickerson's *His Dissertation And God* is an autobiographical study of the life and times of one black man and his struggle to overcome poverty, racism, and eventually alcohol and drug addiction. Millions suffer from some form of addiction. Dr. Dickerson's life story depicts the feelings, situations, and conditions of many. It portrays the spectrum of human affliction and anxieties, fears, and frustrations, desires, degradation, hatred, hopes, and utopian dreams. Finally, the story ends with the exercise of apocalyptic faith in the ultimate triumph of good over evil. Dr. Dickerson's doctoral dissertation consists of a research project enhanced by fifteen years of clinical experience in the field of chemical dependency and his own first-hand knowledge of substance abuse acquired through his own addiction and recovery from alcohol and drugs. This section also includes a Psycho-Educational Work Book that will provide topics and exercises for the Specialized Training and Educational Program System (STEP S) developed by Dr. Dickerson. Spirituality also plays a major role in finding and maintaining sobriety. The book section titled *DNA: Life and God* is a depiction of Jesus Christ, whom Dr. Dickerson acknowledges as his Higher Power. The term Higher Power is mentioned nine different times in one form or another in the Twelve Steps of Alcoholics Anonymous. The founders of Alcoholics Anonymous were Christians who realized that the program could also work as long as members acknowledge that the Higher Power of their choice is greater than themselves.
