childhood to family to identity and to the tangled emotions of growing up in a world where things weren t always said out

who always felt a little too much What began as a diary of memories slowly became a layered story of healing learning and
self acceptance There are moments in these chapters that made me laugh till my stomach hurt and others that broke me
down in ways I didn t have words for But through every loss joy prank and panic I found parts of myself I didn t even know
were lost This isn t a story of perfection It s a story of survival Of childhood innocence meeting harsh realities Of being
