The 16th edition of the Aser survey aims to capture the transition in the education system at a time when schools are reopening after a gap of almost 18 months due to the pandemic

Government schools gain ground

A consistent increase was reported in the proportion of children enrolled in government schools between 2018 and 2020, according to the report

- After a steady increase between 2006 and 2014, private schooling noted a significant decline in the pandemic years, the report said
- Interestingly, the survey didn't report any sharp spike in

Rising dependence on tuition classes

2 out of 5 kids

in India are now dependent on private tuition classes, a consequence of schools being shut for months due to the pandemic

Access to smartphones still limited

1 out of 3 kids

in India does not have smartphone at home

Access to digital devices remained fraught with challenges as 32.4% of surveyed children did not have a smartphone at home. The survey showed
