

IN MEMORY OF MY DAD IN HEAVEN

**If I could write a story
It would be the greatest ever told
Of a kind and loving father
who had a heart of gold**

**I could write a million pages
but there's one thing I would say,
just how much I love and miss
him every single day**

**I know he always loved me,
I may be hurt, but I won't be sad
I know he'll send down the answers
because he'll always be my Dad.**

Barry Blackstone, 2019-01-03 Have you ever wondered what Jesus saw heard and did during his so called silent years between his birth in Bethlehem after his trip to Egypt and before his baptism at the Jordan River The only mentioned event in the Gospels from that time frame was being forgotten in Jerusalem by his parents at the age of twelve as recorded by Luke Barry Blackstone takes you on an imaginative journey an inspiring jaunt into those days of Jesus as he remembers his own boyhood and early childhood experiences in the tiny farming village of Perham Maine a hamlet similar in size and nature to the Nazareth of Jesus day After visiting an archeological site in Nazareth in 2010 Blackstone realized the parallels between his obscure upbringing and the quiet years of the Savior in his boyhood home It is the wish of the author that his reader might see through a morning dew a blossoming flower a blue sky a gentle rain a brilliant rainbow a crowing rooster a loving sister and a father's carpenter's shop into the life of the boy Jesus Blackstone attempts to fill in some of the gaps in the story of Jesus by sharing his barnyard memories with an application to the teaching of the adult Jesus Can one see insights into what Jesus experienced in the lessons parables and teachings of his adult ministry [My Dad's Diary - Part Two - To The Bitter End](#)

Clive Hoad, 2010-12-04 Continuing Christopher Hind's story based on his Father Cliff's diary that was written before he was born Chris was now 70 years of age Looking back from what would be our future 2078 Chris had discovered that his Father had been protecting his family in an underground shelter during a terrorist war with the world Now suffering not only loss abandonment and new members to watch over they struggle to even feed themselves while endeavouring to survive It is no picnic when trouble seems to run into them around every corner With all odds against them just who will survive to the bitter end *Survival of the Heart Tragedy of the Mind* Dwight N. Wood Sr, 2013-04 After a life that has spanned more than six decades Dwight N Wood Sr now provides an intensely painful but transparent account of his story starting from birth and leading to the present day He always attempted to hide away the damaging scars of a major heart

surgery and the sometimes cruel events prompted by poverty It was his choice to cover up and contain his deepest emotions within his heart and mind Survival of the Heart Tragedy of the Mind is a spiritual and surprising story of medical survival and human tragedy Wood characterizes his most detailed memories of his childhood and the sacrifices of his family which always supported his dreams of living a normal life After he became an adult he once again faced the demons of his past physical and mental battles He recounts the hardships associated with despair dying and death He expresses the mental struggles of living in the past while not looking toward the present and future The emotional and monetary costs of failing to seek professional guidance nearly led to his demise Wood admits to the consequences of being a man who has had to deal with denial and rejection His book is about learning the lessons of life and making the confusing connections between commonsense and poor judgment He rationalizes the reasons we should embrace love and forgive people The crucial decisions he made as a child and an adult now allow him to complete his circle of life Survival of the Heart Tragedy of the Mind is an intimate portrayal of a very emotional boy who develops into a mentally quick and capable man His often hopeful approach to overcoming human miseries is highlighted by his failures as well as his victories From his youthful days to his elderly years he suffered from a congenital heart abnormality and eventually developed post traumatic stress disorder His lifelong search for the answers to human love spiritual happiness and the true meaning of human life eventually leads him to some remarkable solutions with noteworthy conclusions

Past Lives author and businessman Frank Mares tells how he acquired psychic ability in his middle age. With this new gift he recovered facts about nine of his prior lives, most of which involved violent, bloody deaths. The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1, 1944, in a dark Estonian farmhouse. Not being satisfied with just discovering his past lives, Mares goes on a spiritual mission to find out why he kept dying violently. The answers do not come easily, but by using a team of three world-class psychics, he eventually tracks down the shocking reason for all his brutal deaths. The psychic team finds that within the soul of this normal, small businessman resides a brutal, stone-cold killer from the 1600s who surprisingly was the revered founder of a gentle, noble family. As part of his soul's continuing quest for redemption, Mares hopes to salvage the dark time in his soul's past into something that could help others today. His experiences show that death is only a transition phase and that it should not be feared. His book also reveals that reincarnation is actually a well-designed, organized system that allows souls to learn personalized life lessons over a surprising number of lives. If you read this book, you will never look at life and death in the same way again.
