Unification of Germany Map Review

The goal is to use the maps to learn about the physical and political geography of the Unification of Germany. Some labels will be used more than once but's ok, it's good practice!

Prussia

Map 2, 1866:

On EACH map, label one more

2. In what way(s) did international events impact Germany?
3. To what extent was this a turning point in German History and why? What about in History overall?
