Outsiders USA: Original Essays on 24 Outgroups in American Society Don Spiegel,Patricia Keith-Spiegel,1973 The purpose of this book is to bring together in a single volume a discussion of some two dozen different social categories whose members can be labeled outsiders using our broad definition of the term The reader of this volume can gain insight into the major similarities and differences of the various outsider categories presented Each of the chapters was written especially for this book The authors were selected for their expertise in the area of their chapter content which more often than not includes involvement in innovative or action oriented approaches to solving complex social problems Most chapters follow a similar format a description of the social category a presentation of the dilemmas their members face explorations of traditional as well as recent approaches to resolving their dilemmas and a brief look at their prospects for more satisfying life situations and potentials Although comprehensive solutions to the problems outsiders face have yet to be evolved and implemented we hope that by imparting a more basic understanding of people in outsider categories we will have contributed to that end For not until outsiders are

more fully understood from their own perspective by society at large can truly positive changes in our society emerge
