

Identifying Narrative Perspective

Directions: Read the following passages and determine the narrative perspective, then explain how you were able to identify the point of view. If the passage is third person, explain which character's thoughts are revealed.

Narrative Perspective (point of view): first-person, second-person, third-person objective, third-person limited, third-person omniscient.

1. Sideburns Stories from Wardside School by Louis Sachar

Leslie sat in front of Paul. She had two long, brown pigtails that reached all the way down to her waist. Paul saw those pigtails, and a terrible urge came over him. He wanted to pull a pigtail. He wanted to wrap his fist around it, feel the hair between his fingers, and just yank. He thought it would be fun to tie the pigtails together, or better yet, tie them to her chair. But most of all, he just wanted to pull one.

Narrative Perspective: _____

If it is third-person, which character's thoughts are revealed? _____

2. Irritation in the Grass by Monica Hughes

And we scrounged. Next to survival, scrounge was probably the most important word in our new vocabulary. We found a store that was throwing out water-damaged mattresses. Getting them home was a problem, since we had to make two trips, leaving Brad and Katie, armed with sticks to guard over the remainder. I only expected them to be challenged by some gang boss, but they said that the only person who came by was a scowry little rat of a girl living alone. We let her have one of the mattresses.

Narrative Perspective: _____

If it is third-person, which character's thoughts are revealed? _____

3. Tack Everlasting by Natalie Babbitt

At dawn, Miss Tack set out on her horse for the wood at the edge of the village of Treogap. She was going there, as she did once every ten years, to meet her two sons, Miles and Jesse, and she was feeling at ease. At noon time, Winnie Foster, whose family owned the Treogap wood, lost her patience at last and decided to think about running away.

Bible in Context Paige-Patric Samuels, 2024-01-03 Bible in Context is the term used for students of the Bible who desire to learn about what the Bible is says and teach why bible in context Because we are confronted on many occasion when we read the bible has become an occupational hazard as oppose to a joyful fulfilment With that being said Bible in Context is a term that was used as an undergraduate model for student who desire to embark on a course of student in how to interpret the Scriptures Looking at

the Bible in context as different types of meaning for different people within the space of our social location. If you are taking to a Reformed Christian believer it would be the task of taking a course of Hebrew and Greek and Latin and translating from the its original meaning then through the usage of language lexicons and concordance and with the different translations versions can arrive at some sense of what the original audience meant as well as reading the entire chapter sometime two or three chapters can then arrive at the sense of the context of what is said. In an other vain asking a Pentecostal we may arrive at a different take as what is context. It would be a chapter a verse or a paragraph. What is pneumatically engaged dependance on the Holy Spirt for its true sense of meaning. Conversely Bible in Context is a hermeneutical disciple which calls the student of the Bible to become an efficient student by employing a number of tools for appropriate investigative approach to the Scripture.

NARRATIVE APPROACHES IN SOCIAL WORK PRACTICE Edith M. Freeman, 2015-08-01 The purpose of this book is to explain the process in which individuals tell and retell their narratives especially during developmental and other transitions in order to create meaning and continuity in their lives. The other goal is to clarify the nature and types of narratives that emerge in people s natural environments during such transitions and during counseling sessions with social workers psychologists psychiatrists counselors nurses and other service providers. Further it also describes practical narratives and approaches and includes relevant case examples to illustrate how those approaches have been applied effectively in social work and other helping professions. The text is organized in two sections. Part One is focused on the theoretical foundations of narrative practice and on five basic principles. The five chapters of Part Two demonstrate the application of advanced narrative skills in practice with clients who are challenged by various life span transitions. Clients narratives are included in each chapter to illustrate particular advanced narrative skills and major discussion points. The cultural context of such narratives may involve a

combination of such factors as clients race and ethnicity language religion and spirituality gender age sexual orientation disabling conditions social class and location Tables and figures included in each chapter illustrate specifically how particular narrative strategies can be used with clients and also clarify how to use those approaches in combination with other practice frameworks including family systems task centered crisis solution focused group mutual aid cognitive behavioral and brief theoretical approaches In addition to the individual family community organizational and cultural narratives the book also includes other story forms such as poetry metaphors proverbs parables letters personal journals art and music
