Listening

Part 1

1 The correct answer is 'park': Jake says, 'first they're taken to ride in the park'. **'Road' is incorrect** as Jake says that Charlie 'needs ... more training before he's safe to go on the road'. **'Site' is incorrect** as the children start at the site.

2 The correct answer is 'blue': Jake says, 'the instructors ... are in blue shirts.' **'Red' is incorrect** as he says that the supervisors wear red shirts.

3 The correct answer is 'reference': Jake says, 'all our instructors have to submit a reference'. **'Babysitter' is incorrect** as this is an example of a job an instructor might have had. **'Lesson plans' is incorrect** as the instructions tell you to write one word only.

4 The correct answer is 'story': Jake says that during the quiet times 'their instructor might tell them a story'. **'Cycling' is incorrect** as this is an example of a topic within a story, not an activity the children do at quiet times.

5 The correct answer is 'rain': Charlie's mother asks, 'what happens if there's rain?' Jake replies, 'We don't let that put us off (stop us)'. **'Waterproofs' is incorrect** as these are clothes. Also, the gap has 'is' before it so the answer must be singular.

7 The correct answer is 'medication': Charlie's mother says that Charlie 'has to take medication every few hours' and Jake agrees with her that Charlie should bring it with him. **'Details' is incorrect** as Jake needs the medication details, not Charlie's details.

8 The correct answer is 'helmet': Jake says that extra time is needed before class to 'make sure that every child's helmet fits properly'. **'Bike' is incorrect** as Jake does not mention checking this.

9 The correct answer is 'tent': Jake says, 'all the instructors will be waiting to meet their classes ... in the tent'. **'Class' is incorrect** as it refers here to the group of children, not a place.

10 The correct answer is '199': Charlie's mother asks how much the course costs and Jake replies, 'one hundred ninety-nine dollars'. No other prices are mentioned.

Answer Key Listening Power 3:

Bridges to Communication: Language Power -- 1. , Listening for Democracy Andrew Dobson, 2014 Although much prized in daily conversation good listening has been almost completely ignored in that form of political conversation we know as democracy This book examines the reasons why so little attention has been paid to the listening aspect of democratic conversation explores the role that listening might play in democracy and outlines some institutional changes that could be made to make listening more central to democratic processes The focus on listening amounts to a reorientation of democratic theory and practice providing novel perspectives on enduring themes in democracy such as recognition representation power and legitimacy as well as some new ones such as silence Eschewing the pessimism of the realist turn in democratic theory the book shows how attention to listening can breathe life into the democratic project and help us to realise some of its objectives Drawing on practical examples and multidisciplinary sources the book shows how listening should be at the heart of representative and deliberative democracy rather than peripheral to them It develops a notion of dialogic democracy based on structured apophatic listening and meets the challenge of showing how this could be incorporated in parliamentary democracies What should we be listening out for This book addresses the question of political noise and uses the idea of recognition to develop an account of politics that takes us beyond the Aristotelian speaking being towards a Deweyan notion of the event around which publics coalesce Interchange Teacher's Resource Book 3 Jack C.
