William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of
British cultural and political history In Anarchist Seeds beneath the Snow David Goodway seeks to recover and revitalize that
indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain
and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist
tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and
