Medical Illustration in the Courtroom Lindsay E. Coulter, 2024-05-29 Medical Illustration in the Courtroom Proving Injury Causation and Damages educates the reader on how to communicate science visually in personal injury medical malpractice criminal and forensic cases by creating art that utilizes medical records radiographs and computer software Medical illustration bridges the gap between complex technical medical and scientific concepts to clearly illustrate and explain visually a medical condition negligence or the causation of an injury or death to the lay person Medical artists are frequently challenged with illustrating injuries and medical conditions that can't be seen by the naked eye And while using medical photography and imaging for illustrative purposes can be helpful to an untrained eye it can often be unclear or confusing This is where the medical illustrator enters the equation There are often patients who have recovered from an injury or infection that appear in good health However should an unforeseen injury or fatality happen medical illustrators can reveal to people what's actually going on inside the person an invaluable asset to attorneys in the courtroom especially for personal injury and medical malpractice cases While many attorneys utilize medical artists nonvisual people don't always recognize the value of demonstrative aids until they see them first hand When attorneys and their clients enlist the aid of medical artists it quickly becomes apparent that properly conceived and executed artwork is invaluable to illustrating the facts and medical impacts of any number of scenarios homicides by shooting stabbings vehicular accidents in addition to medical malpractice and personal injuries resulting from surgery or possible negligence Presenting a myriad of services and computer technologies that can be utilized Medical Illustration in the Courtroom provides demonstrative aids used in cases to illustrate personal injury and medical malpractice employing tricks of the trade to create an accurate effective image Such images are educational to attorneys insurance adjusters judges and juries to help create a visual storyline the goal being to help combine art and science to provide a clear illustration of events to help in adjudicate legal and forensic cases
