Eckes, Jr, Patrick Manning, Kenneth Pomeranz, Steven Topik, 2015-04-10 Written for high school or beginning undergraduate students this four volume reference valiantly attempts to provide a historical framework for the perhaps overly broad concept of world trade Entry topics were selected on trade organizations influential people commodities events that affected trade trade routes navigation religion communica

The World System Barry Gills, Andre Gunder Frank, 2014-04-04 The historic long term economic interconnections of the world are now universally accepted The idea of the economic world system advanced by Immanuel Wallerstein has set the period of linkage in the early modern period but Andre Gunder Frank and Barry K Gills think that this date is much too late They argue an interconnection going back as much as 5000 years In *The World System* leading academics examine this issue in a debate contributed to by William H McNeill and Immanuel Wallerstein among others

Chinese Culture, Western Culture Tai Ng, 2007-02 This book explores how complementary Chinese and Western cultures are how they should learn from each other to establish a dynamic balance and how institutions need constant redefinition and renewal in order to prosper By studying the history and development of thought and philosophy in these cultures it suggests lessons from our past that may shed light on current events and help us in handling future challenges The book presents answers to the following important questions Do Chinese people think differently from Westerners and if so how and why What are the key differences between Chinese and Western culture and why How did China become the most technologically advanced and sociologically sophisticated nation in the world until the seventeenth century and why did it ultimately decline What are the key characteristics of political institutions in historical China and Europe and how were they significant In this postmodern time and era of globalization what can we learn from Chinese culture and experiences As China rapidly industrializes what can it learn from the West without repeating some of the mistakes that Europeans and North Americans made in their periods of industrialization

Historicizing "tradition" in the Study of Religion Steven Engler, Gregory Price Grieve, 2005 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series

A Dialogue Between Law and History Baosheng Zhang, Thomas

Yunlong Man, Jing Lin, 2020-12-14 This book builds on the success of the First International Conference on Facts and Evidence A Dialogue between Law and Philosophy Shanghai China May 2016 which was co hosted by the Collaborative Innovation Center of Judicial Civilization CICJC and East China Normal University The Second International Conference on Facts and Evidence A Dialogue between Law and History was jointly organized by the CICJC the Institute of Evidence Law and Forensic Science ELFS at China University of Political Science and Law CUPIL and Peking University School of Transnational Law STL in Shenzhen China on November 16 17 2019 Historians legal scholars and legal practitioners share the same interest in ascertaining the truth in their respective professional endeavors It is generally recognized that any historical study without truthful narration of historical events is fiction and that any judicial trial without accurate fact finding is a miscarriage of justice In both historical research and the judicial process practitioners are invariably called upon before making any arguments to prove the underlying facts using evidence regardless of how the concept is defined or employed in different academic or practical contexts Thus historians and legal professionals have respectively developed theories and methodological tools to inform and explain the process of gathering evidentiary proof When lawyers and judges reconsider the facts of cases questions of law are actually a subset of questions of fact and thus the legal interpretation process also involves questions of historical fact The book brings together more than twenty leading history and legal scholars from around the world to explore a range of issues concerning the role of facts as evidence in both disciplines As such the book is of enduring value to historians legal scholars and everyone interested in truth seeking

The History of Science of Song, Liao, Jin and Xixia of Dynasty Li Shi, The book is the volume of The History of Science of Song Liao Jin and Xixia of Dynasty among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC

220 AD Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government examinations China s last dynasty was the Qing 1644 1912 which was replaced by the Republic of China in 1912 and in the mainland by the People s Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927 1949 China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China
