Experiencing the Gospel Thomas W. Seckler, 2020-05-18 In recent years increasing numbers of people from Muslim backgrounds have become followers of Jesus Some of these conversions have occurred in Cambodia This book explores the experiences and reflections of forty Cambodians from a Muslim background who have chosen to believe in and follow Jesus It is based on doctoral research utilizing in depth interviews which sought to answer the following questions

- 1 What role did contextualizing the Christian message play in making it more understandable and compelling
- 2 What core themes or factors did those interviewed report as central in their own conversions
- 3 How was the gospel message itself experienced as personally meaningful

This book probes the answers to those questions revealing the manner in which forty Cambodians experienced God and the gospel message The stories and reflections found here not only provide a glimpse into their lives but also give insight into the way in which Muslim background individuals come to believe in and embrace Jesus

When Greeks and Turks Meet Vally Lytra, 2016-02-11 The relationship between the history culture and peoples of Greece Turkey and Cyprus is often reduced to an equation which defines one side in opposition to the other The reality is much more complex and while there have been and remain significant divisions there are many and arguably more areas of overlap commonality and common interest This book addresses a gap in the scholarly literature by bringing together specialists from different disciplinary traditions history sociology anthropology linguistics literature ethnomusicology and international relations so as to examine the relationship between Greeks and Turks as well as between Greek Cypriots and Turkish Cypriots since the founding of the Republic of Turkey in 1923 When Greeks and Turks Meet aims to contribute to current critical and comparative approaches to the study of this complex relationship in order to question essentialist representations stereotypes and dominant myths and understand the context and ideology of events processes and experience Starting from this interdisciplinary perspective and taking both diachronic and synchronic approaches the book offers a fresh coverage of key themes including memory history and loss the politics of identity language and culture discourses of inclusion and exclusion Contributors focus on the geographical areas of Greece Turkey and Cyprus and on the modern historical period since 1923 up to the present day offering in some cases an informed perspective that looks towards the future When Greeks and Turks Meet will be essential reading for students and researchers working on the cross roads of Greece Turkey and Cyprus on South East Europe and the Middle East more generally It will also be a valuable resource for students and researchers in inter cultural communication cultural and media studies language and education international relations and politics refugee and migration studies conflict and post conflict studies
