

35 Permutations, Combinations and Probability

Thus far we have been able to list the elements of a sample space by drawing a tree diagram. For large sample spaces tree diagrams become very complex to construct. In this section we discuss counting techniques for finding the number of elements of a sample space or an event without having to list them.

Permutations

Consider the following problem: In how many ways can 8 horses finish in a race (assuming there are no ties)? We can look at this problem as a decision consisting of 8 steps. The first step is the possibility of a horse to finish first in the race, the second step the horse finishes second, ... , the 8th step the horse finishes 8th in the race. Thus, by the Fundamental Principle of counting there are

$$8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 40,320 \text{ ways}$$

This problem exhibits an example of an ordered arrangement, that is, the order the objects are arranged is important. Such ordered arrangement is called a **permutation**. Products such as $8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1$ can be written in a shorthand notation called factorial. That is, $8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 8!$ (read "8 factorial"). In general, we define **n factorial** by

$$n! = \begin{cases} n(n-1)(n-2) \cdots 3 \cdot 2 \cdot 1, & \text{if } n \geq 1 \\ 1, & \text{if } n = 0. \end{cases}$$

where n is a whole number n .

Example 35.1

Evaluate the following expressions:

(a) $6!$ (b) $\frac{10!}{7!}$.

Solution.

(a) $6! = 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 720$

(b) $\frac{10!}{7!} = \frac{10 \cdot 9 \cdot 8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1}{7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1} = 10 \cdot 9 \cdot 8 = 720$ ■

Using factorials we see that the number of permutations of n objects is $n!$.

Introduction to the Probability Theory Taha Sochi,2023-02-07 This book is a collection of notes and solved problems about probability theory The book also contains proposed exercises attached to the solved problems as well as computer codes in C language added to some of these problems for the purpose of calculation test and simulation Illustrations such as figures and tables are added when necessary or appropriate to enhance clarity and improve understanding In most cases intuitive arguments and methods are used to make the notes and solutions natural and instinctive Like my previous books maximum clarity was one of the main objectives and criteria in determining the style of writing presenting and structuring the book as well as selecting its contents However the reader should notice that the book in most parts does not go beyond the basic probability and hence most subjects are presented and treated at their basic level Accordingly modest mathematical background knowledge is required for understanding most of the contents of the book In fact the book in most parts requires no more than a college or secondary school level of general mathematics So the intended readers of the book are primarily college or A level students as well as junior undergraduate students e g in mathematics or science or engineering An interesting feature of the book is that it is written and designed in part to address practical calculational issues e g through sample codes and suggested methods of solution and hence it is especially useful to those who are interested in the calculational applications of the probability theory The book can be used as a text or as a reference for an introductory course on this subject and may also be used for general reading in mathematics The book may also be adopted as a source of pedagogical materials which can supplement for instance tutorial sessions e g in undergraduate courses on mathematics or science **Model Answers in Pure Mathematics for A-Level Students** G.A. Pratt,C.W.

Schofield,2014-05-23 Model Answers in Pure Mathematics for A Level Students provides a set of solutions that indicate what is required and expected in an Advanced Level examination in Pure Mathematics This book serves as a guide to the length of answer required layout of the solution and methods of selecting the best approach to any particular type of math problem This compilation intends to supplement not replace the normal textbook and provides a varied selection of questions for practice in addition to the worked solutions The subjects covered in this text include algebra trigonometry coordinate geometry and calculus This publication is valuable to students working through and coping with the practice questions will help them face advanced mathematical examinations with confidence **Class 11-12 Math MCQ (Multiple Choice Questions)** Arshad Iqbal,2019-05-17 The Class 11 12 Math Multiple Choice Questions MCQ Quiz with Answers PDF College Math MCQ PDF Download Quiz Questions Chapter 1 14 Practice Tests with Answer Key 11th 12th Grade Math Questions

Answers 35 Permutations Coblinations Nad Probability Introduction

In today's digital age, the availability of Answers 35 Permutations Coblinations Nad Probability books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Answers 35 Permutations Coblinations Nad Probability books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Answers 35 Permutations Coblinations Nad Probability books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Answers 35 Permutations Coblinations Nad Probability versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Answers 35 Permutations Coblinations Nad Probability books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Answers 35 Permutations Coblinations Nad Probability books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Answers 35 Permutations Coblinations Nad Probability

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Answers 35 Permutations Coblinations Nad Probability books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Answers 35 Permutations Coblinations Nad Probability books and manuals for download and embark on your journey of knowledge?

FAQs About Answers 35 Permutations Coblinations Nad Probability Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Answers 35 Permutations Coblinations Nad Probability is one of the best book in our library for free trial. We provide copy of Answers 35 Permutations Coblinations Nad Probability in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Answers 35 Permutations Coblinations Nad Probability. Where to download Answers 35 Permutations

Cobbinations Nad Probability online for free? Are you looking for Answers 35 Permutations Cobbinations Nad Probability PDF? This is definitely going to save you time and cash in something you should think about.
