Resources in Education , 2001-04 [Progressive Studio Pedagogy](#) Charlie Smith, 2020-11-30 *Progressive Studio Pedagogy* provides guidance to educators in all design fields by questioning processes and assumptions about teaching and learning utilising examples from architecture landscape architecture and interior design Through a series of case studies this book presents innovative approaches to learning and teaching in design studio Traditionally design education is perceived to be a process for acquiring skills and a site for developing creative potential However contemporary higher education is embracing issues that include widening participation managing transition and fostering independent learning and graduate employability This book situates design learning within this varied context and offers insights into how to confront the challenge of facilitating learning through divergent contexts by presenting projects and courses that use a range of approaches that require students to think and act critically and evaluatively *Progressive Studio Pedagogy* presents new practices that readers can adapt into their own creative education making it an ideal read for those interested in teaching design **Argumentative Writing in a Second Language** Alan R. Hirvela, Diane Belcher, 2021-12-13 *Argumentative*

Writing in a Second Language is a collection on teaching argumentative writing offering multiple vantage points drawn from the contributors own teaching and research experiences The value of learning how to compose argumentative texts cannot be overstated and yet very little attention has been allocated to the equally important topic of how argumentation is or can be taught in the L2 context Thus this volume shifts attention to teachers and argumentative writing instruction especially within increasingly common multimodal and digital literacy settings While doing so it provides a comprehensive wide ranging view of the L2 argumentative writing landscape within an instructional lens Part I of the volume is topic oriented and focuses on explorations of important issues and perspectives while Part II features several chapters reporting classroom based studies of a variety of instructional approaches that expand our understanding of how argumentative writing can be taught The book will be of value to pre service and in service teachers in varying instructional contexts as well as teacher educators and L2 writing scholars researchers
