Worksheet 2: Dangerous places continued

It is important that you make the right choices when it comes to safety. Children must be well educated to know what is wrong and what is right.

Look at the following pictures and say why you think these people are in danger.

Write one sentence. How can these people be more safe?

Worksheet 11: Different types of pollution

Soil pollution

Soil pollution happens when there are too many dangerous chemicals in the soil. Soil pollution can be caused by the waste from factories and mines. The waste from our homes, schools, hospitals and offices is buried in the ground in landfills. Soil pollution can poison water which then poisons the food people and other animals eat.

Colour the picture about soil pollution and write what you think of the picture.
