Emotional Intelligence Mastery John Heffner,2020-01-18 Would you like to master your emotions effectively Ever felt angry or frustrated at someone and snapped Taken your own insecurities and emotive worries out on someone else to make yourself feel better Knowing how to control these feelings and your reactions to them is known as emotional intelligence We are getting richer but less and less happy Depression suicide relationship breakdowns loneliness by choice fear of closeness addictions these are clear evidence that we are getting increasingly worse when it comes to dealing with our emotions Life is very busy these days and decisions we take can be made rashly without any real thought going into them and this can lead to disaster negativity stress and overwhelm are just some of the consequences The truth is not many people realize what EQ is really all about or what causes its popularity to grow constantly Mastering our emotional intelligence should be high on the scale of our personal development skills but all too often we neglect it Imagine being able to gain back control of your life Imagine living a happy life with confidence Emotional Intelligence is a skill and can be learned through constant practice and training Emotional intelligence directly impacts the way we formulate personal decisions the way we manage behavior and our ability to maneuver through social complexities Emotionally intelligent people are open to new experiences can show appropriate feelings in any situation either good or bad and find it easy to socialize with other people and establish new contacts They handle stress well say no easily realistically assess the achievements of themselves or others and are not afraid of constructive criticism and taking calculated risks They are successful Every chapter covers different areas of emotional intelligence and shows you step by step exactly what you can do to develop your EQ and become the better version of yourself

Emotional Intelligence & Empath John Heffner,Suzanne Orloff,2020-06-05 Have you ever felt like you have to carry the weight of the world on your shoulders Do you live at the mercy of other people emotions crashing into you Would you like to master your emotions effectively Ever felt angry or frustrated at someone and snapped Taken your own insecurities and emotive worries out on someone else to make yourself feel better Knowing how to control these feelings and your reactions to them is known as emotional intelligence We are getting richer but less and less happy Depression suicide relationship breakdowns loneliness by choice fear of closeness

addictions these are clear evidence that we are getting increasingly worse when it comes to dealing with our emotions Often an Empaths who is new to the understanding of this gift find it difficult to control the sources of overwhelming feelings Being an empath it can be often challenging Between the constant barrage of emotional stimulus from dealing with people in real life narcissism and social media it s easy to become inundated with the energy that people put into the world The truth is not many people realize what EQ is really all about or what causes its popularity to grow constantly Mastering our emotional intelligence should be high on the scale of our personal development skills but all too often we neglect it Imagine being able to gain back control of your life Imagine living a happy life with confidence Emotional Intelligence is a skill and can be learned through constant practice and training You will discover the right techniques to develop your emotional intelligence and embrace the many blessings of mastering your emotions while opening new doors of opportunity for you to live your life abundantly All those strategies have been designed specifically for you to be extremely easy to understand and implement on a daily basis Once you set up a healing routine using the secret methods described in this book you will start experiencing a radical shift in your energy and emotional control A new Emotional Intelligence journey is about to start Stop being a victim of narcissists and energy vampires get your copy today to Turn your emotional sensitivity into your greatest strength

Sales EQ Jeb Blount, 2017-03-20 The New Psychology of Selling The sales profession is in the midst of a perfect storm Buyers have more power more information more at stake and more control over the sales process than any time in history Technology is bringing disruptive change at an ever increasing pace creating fear and uncertainty that leaves buyers clinging to the status quo Deteriorating attention spans have made it difficult to get buyers to sit still long enough to challenge teach help give insight or sell value And a relentless onslaught of me too competitors have made differentiating on the attributes of products services or even price more difficult than ever Legions of salespeople and their leaders are coming face to face with a cold hard truth what once gave salespeople a competitive edge controlling the sales process command of product knowledge an arsenal of technology and a great pitch are no longer guarantees of success Yet this is where the vast majority of the roughly 20 billion spent each year on sales training goes It s no wonder many companies are seeing 50 percent or more of their salespeople miss quota Yet in this new paradigm an elite group of top 1 percent sales professionals are crushing it In our age of technology where information is ubiquitous and buyer attention spans are fleeting these superstars have learned how to leverage a new psychology of selling Sales EQ to keep prospects engaged create true competitive differentiation as well as shape and influence buying decisions These top earners are acutely aware that the experience of buying from them is far more important than products prices features and solutions In *Sales EQ* Jeb Blount takes you on an unprecedented journey into the behaviors techniques and secrets of the highest earning salespeople in every industry and field You ll learn How to answer the 5 Most Important Questions in Sales to make it virtually impossible for prospects to say no How to master 7 People Principles that will give you the power to influence anyone to do almost anything How to shape

and align the 3 Processes of Sales to lock out competitors and shorten the sales cycle How to Flip the Buyer Script to gain complete control of the sales conversation How to Disrupt Expectations to pull buyers towards you direct their attention and keep them engaged How to leverage Non Complementary Behavior to eliminate resistance conflict and objections How to employ the Bridge Technique to gain the micro commitments and next steps you need to keep your deals from stalling How to tame Irrational Buyers shake them out of their comfort zone and shape the decision making process How to measure and increase you own Sales EQ using the 15 Sales Specific Emotional Intelligence Markers And so much more Sales EQ begins where The Challenger Sale Strategic Selling and Spin Selling leave off It addresses the human relationship gap in the modern sales process at a time when sales organizations are failing because many salespeople have never been taught the human skills required to effectively engage buyers at the emotional level Jeb Blount makes a compelling case that sales specific emotional intelligence Sales EQ is more essential to success than education experience industry awareness product knowledge skills or raw IQ and sales professionals who invest in developing and improving Sales EQ gain a decisive competitive advantage in the hyper competitive global marketplace Sales EQ arms salespeople and sales leaders with the tools to identify their most important sales specific emotional intelligence developmental needs along with strategies techniques and frameworks for reaching ultra high performance and earnings regardless of sales process industry deal complexity role inside or outside product or service B2B or B2C
