book comes at a time when the media's role as well as our media intake and perceptions are being disrupted. As a result, questions of censorship, free speech, accountability, and nuance are often lost. This book is an antidote to the challenges facing media literacy education; chapters offer a careful examination of important and hot topics including AI, authenticity, representation, climate change, activism, and more. Addressing the continually evolving role of media and its impact on our society and shared knowledge base, the volume is organized around five themes: Misinformation and Disinformation, Media Representation, Civic Media, Politics and Policy, Eco Media, Literacy Education and Equity, Ethical Quandaries and Ideologies, and Emerging Technologies. Ideal for courses on media literacy and new literacies, this book furthers the conversation on the ways literacy and social justice are connected to educational communities in local and global contexts. [The Routledge Handbook of Media Education Futures Post-Pandemic](#) Yonty Friesem, Usha Raman, Igor Kanižaj, Grace Y. Choi, 2022-09-13

This handbook showcases how educators and practitioners around the world adapted their routine media pedagogies to meet the challenges of the COVID-19 pandemic, which often led to significant social, economic, and cultural hardships. Combining an innovative mix of traditional chapters, autoethnography, case studies, and dialogue within an intercultural framework, the handbook focuses on the future of media education and provides a deeper understanding of the challenges and affordances of media education as we move forward. Topics range from fighting disinformation, how vulnerable communities coped with disadvantages, using media to transform educational TV or YouTube to reach larger audiences, supporting students' wellbeing through various online strategies, examining early childhood parents and media mentoring using digital tools, reflecting on educators' intersectionality on video platforms, youth-produced media to fight injustice, teaching remotely, and providing low-tech solutions to address the digital divide, searching for solutions collaboratively using social media, and many more. Offering a unique and broad multicultural perspective on how we can learn from the challenges of addressing varied pedagogical issues that have arisen in the context of the pandemic, this handbook will allow researchers, educators, practitioners, institutional leaders, and graduate students to explore how media education evolved during 2020 and 2021 and how these experiences can shape the future direction of media education. **Information and Technology Literacy: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources, 2017-08-30
