In Search of Sustainability Benjamin Cashore,2011-11-01 In recent years the forests of British Columbia have become a battleground for sustainable resource development The conflicts are ever present usually pitting environmentalists against the forest industry and forestry workers and communities In an effort to broker peace in the woods British Columbia s NDP

government launched a number of promising new forest policy initiatives in the 1990s In Search of Sustainability brings together a group of political scientists to examine this extraordinary burst of policy activism Focusing on how much change has occurred and why the authors examine seven components of BC forest policy land use forest practices tenure Aboriginal issues timber supply pricing and jobs Design Review Brenda C. Scheer, Wolfgang F.E. Preiser, 2012-12-06 That the topic of design review is somehow troubling My biases are clear from the start I am among those who believe that despite all signals to the contrary the physical structure of our environment agree on Beyond this however I suspect prospects of consensus are dim Differing opinions must be managed and that controlling it is on the subject likely range from those desiring the key to the amelioration of numerous problems control to those desiring freedom Say one camp confronting society today I believe that design our physical and natural environments are going can solve a host of problems and that the design to hell in a hand basket Says the other design of the physical environment does influence be review boards are only as good as their members have more often than not their interventions produce Clearly this is a perspective that encompasses mediocre architecture more than one building at a time and demands As a town planner and architect I am sympathetic that each building understand its place in a larger context to the full range of sentiment Perhaps a context the city Indeed anyone proposing discussion of these two concepts control and physical solutions to urban problems is designing freedom and their differences would now be or as may seem more often the case destroying useful But let me instead suggest that both position the city **San Juan Island National Historical Park, General Management Plan**, 2008 **Emergent Brazil** Jeffrey D. Needell, 2015-07-07 This collection of sixteen essays examines the impact of Brazilian trends institutions culture and religion on the world through accelerating processes of globalization
