

A woman with blonde hair, wearing a white tank top and black leggings, is sitting in a meditative lotus position on a tall stack of books. She has her hands raised in a prayer position. The stack of books is composed of various colored spines, including pink, white, and blue. The background is a bright blue sky with soft white clouds. The title 'Am I Zen Yet?' is written in a playful, handwritten-style font. 'Am' and 'Yet?' are in black, while 'I' and 'Zen' are in pink. Below the title, the subtitle '...and other random thoughts' is written in a smaller, black, sans-serif font. At the bottom, the author's name 'Dee Ernst' is written in a large, elegant, black cursive script.

while simultaneously reclaiming authority for the tradition within a rapidly changing Japan Snodgrass explains how the Buddhism presented in Chicago was shaped by the institutional social and political imperatives of the Meiji Buddhist revival movement in Japan and was further determined by the Parliament itself which despite its rhetoric of fostering universal brotherhood and international goodwill was thoroughly permeated with confidence in the superiority of American Protestantism Additionally in the context of Japan's intensive diplomatic campaign to renegotiate its treaties with Western nations the nature of Japanese religion was not simply a religious issue Snodgrass argues but an integral part of Japan's bid for acceptance by the international community Congressional Record United States.
