**Amazon's Dirty Little Secrets** Greg Jameson, 2014-08-01 Many people believe that Amazon's success is the direct result of a strong user shopping experience. This however is only part of the reason why Amazon is the number one ecommerce company in the world for almost two decades. The real reason behind Amazon's success is that they have mastered the art of getting other people to market and sell for them. From affiliate partners that drive traffic to online reviews and ratings where customers tell other customers why they should buy a product to getting free publicity from shows like Oprah or 60 Minutes Amazon is the online company to emulate. Amazon's Dirty Little Secrets will show you how you can accomplish this for your company. Amazon's Dirty Little Secret is getting others to do their marketing and sales for them. This is so powerful that Greg created an acronym using the word POWER: P Plenty of traffic, O Offer something for free, W Win their trust, E Engaging experience, R Request an action, additional tips secrets. Anyone engaged in Internet sales and marketing will benefit from the specific examples in this book.

Rebel Bookseller Andrew Laties, 2011-07-19. The revival of independent bookselling has already begun and is one of the amazing stories of our times. Bookseller Andy Laties wrote the first edition of *Rebel Bookseller* six years ago, hoping it would spark a movement. Now with this second edition, Laties's book can be a rallying cry for everyone who wants to better understand how the rise of the big bookstore chains led irrevocably to their decline and how even in the face of electronic readers from three of America's largest and most successful companies, Apple, Amazon and Google, the movement to support locally owned independent stores, especially bookstores, is on the rise. From the mid 1980s to the present, Andy Laties has been an independent bookseller, starting out in Chicago, teaching along the way at the American Booksellers Association and finally running the bookshop at the Eric Carle Museum in Amherst, Massachusetts. His innovations were adopted by Barnes & Noble, Zany Brainy and scores of independent stores. In *Rebel Bookseller*, Laties tells how he got started, how he kept going and why he believes independent bookselling has a great future. He alternates his narrative with short anecdotes, interludes between the chapters that give his credo as a bookseller. Along the way, he explains the growth of the chains and throws in a treasure trove of tips for anyone who is considering opening up a bookstore. *Rebel Bookseller* is a must read for those in the book biz, a testament to the ingeniousness of one man's story of making a life out of his passionate commitment to books and bookselling.
