Considering the diverse services offered by Amazon, customers mainly contact the Amazon customer service department for returning an item or gift, claiming for refund of payment and exchanging or replacing an item. Moreover, customers also have queries regarding their accounts and Amazon services. Considering this huge number of customers, Amazon doesn't provide the always floating 'Contact Us' option. Rather, Amazon has systematically developed a level one support system consisting of FAQs and self-helps and anticipates customer to be able to solve issues themselves. They do provide other conventional customer support platforms such as phone chat and email which are resided in level two support. Thus, a proper know-how information is required to get in touch with Amazon customer support team.
