AMC 10 A

November 10, 2000

The official solutions provide correct answers and solutions to each problem in the AMC 10 A. The solutions are written by the staff of the American Mathematics Competitions. These solutions are intended to provide a guide to the correct answer and to the correct method of solution. They are not intended to be the only solutions to the problems. Some solutions may be more elegant than others, and some may be more direct than others. The solutions are written by the staff of the American Mathematics Competitions.
