American Hubris Drowning in Hegemony and Ethnocentrism Rufus O Jimerson, Dr, Rufus Jimerson, 2014-11-11 The purpose of this book is to expose the hubris that has motivated the imperialism and neo colonialism apparent in the history and politics of the United States of America This hubris has been coined in the phrase Ugly American The ideology and ensuing behavior of superiority have shamed and humiliated the perceived lesser races for the gratification of the hegemony or ruling class This notion congruent to their manifest destiny bestowed the wealth of the land and labor among the most affluent Americans They believe that they are blessed by God to such acquisitions Ironically they have purposely overlooked the damage incurred on the people of color and environment both domestically and internationally as long as it serves their lust for greater wealth comfort and privilege The book reveals that the imperial and socio cultural hubris is an acquired personality disorder among Anglo Americans Male centric and class centric Republican conservatives best exemplify it Many of these conservatives say they are fundamentalist Christians but follow the ideologies of atheist Ayn Rand and Social Darwinism In effect they are walking and talking examples of hypocrisy The hubris they follow conquest and rise of their temporal empire is leading to a disastrous downfall for all concerned In their nadir hubrists are using fear and anxiety to galvanize their hold on diminishing power Out of fear and anxiety the civilian police force transforms into domestic paramilitary units to intimidate the minority communities they are suppose to protect and Serve As the nation falls and the hubrists feel threatened greater force that leads to a state of terror becomes evident Paranoia rather than trust towards the government and others become a norm Self preservation at any cost prevails among the public and its servants police force Excessive force is paramount and transparent through advances in video and camera technology **The Icarus Syndrome** Peter Beinart, 2010 In The Icarus Syndrome Peter Beinart tells a tale as old as the Greeks a story about the seductions of success Beinart describes Washington on the eve of three wars World War I Vietnam and Iraq three moments when American leaders decided they could remake the world in their image Each time leading intellectuals declared that history was over and the spread of democracy was inevitable Each time a president held the nation in the palm of his hand And each time a war conceived in arrogance brought untold tragedy In dazzling colour Beinart portrays three extraordinary generations the progressives who took America into World War I led by Woodrow Wilson the lonely preacher's son who became the closest thing to a political messiah the world had ever seen The Camelot intellectuals who took America into Vietnam led by Lyndon Johnson who lay awake night after night shaking with fear that his countrymen considered him weak And George W Bush and the post cold war neoconservatives the romantic bullies who believed they could bludgeon the Middle East and liberate it at the same time Like Icarus each of these generations crafted wings a theory about America's relationship to the world They flapped carefully at first but gradually lost their inhibitions until giddy with success they flew into the sun But every era also brought new leaders and thinkers who found wisdom in pain They reconciled American optimism our belief that anything is

possible with the realities of a world that will never fully bend to our will In their struggles lie the seeds of American renewal today Based on years of research *The Icarus Syndrome* is a provocative and strikingly original account of hubris in the American century and how we learn from the tragedies that result *The End of Arrogance* Steven Weber, Bruce W. Jentleson, 2011-01-30 Free market capitalism hegemony Western culture peace and democracy ideas that shaped world politics in the 20th century and underpinned American foreign policy have lost their strength Hegemony benign or otherwise is no longer a choice The authors argue that in the 21st century the U S must rely on strategy make trade offs and compete

Deconstructing America Peter Mason, 1990 Drawing on anthropological literary and philosophical studies this volume attempts to show how European representations of America constitute a cultural monologue which tells us more about the Old World than the New
