## Giraffeian

He lives in purple pears that are perfectly perpendicular.

He eats green grubs and gravestones from the graveyard.

He likes dumb Doritos dipped in dirt.

He smells like hamburger helper hurt by a horse.

He piled, pooped, pumped, and pulled at & on my leg.

and encounter the non human in the first place Many of the analyses come to the conclusion that literary animals give readers the opportunity to expand their own points of view both on themselves and others by adopting another s perspective to the degree that such an endeavor is possible Ultimately the contributions call for a recognition of the many spaces moments and modes in which human lives are entangled with those of animals one of which is located within the creative bounds of storytelling
