kiss is soft and warm and tastes of the scotch he has just consumed making my lips tingle with warmth Our mouths sink against one another as though they were made for each other The kiss stretches on and on neither of us wanting to end it I open my mouth a little and his tongue darts in exploring He moves closer until his chest presses against mine I can feel the strength of his body beneath his suit I run a hand up his front His abs are like steel and his chest is hard and defined His hands slide down my body too cupping my ass in firm hands He pulls back suddenly I don't know your name Alicia I say Alicia he whispers I am about to ask him his name when his mouth reclaims mine and the kiss is so passionate it drives all rational thought from my head The alcohol fills my being making the world soft and fuzzy letting me give in to the base need my body so desires I want you I whisper I want you now I want you too he replies He smells like the sea His mouth continues to explore mine as he reaches down and begins to gather up the fabric of my dress lifting it up and over my hips He slides his hands along the insides of my thighs touching the silky material of my panties with a light pressure His fingers brush my and I groan against his mouth Billionaire millionaire rich aristocracy wealthy romance erotica alpha male dominance submission multiple partners menage voyeurism free ebook 2015 free erotica free erotic romance free steamy romance love triangle sex lesbian m f f f m f f mystery action suspense

Courtroom Competition (First Time Gay Menage Domination and Aphrodisiac Erotica) S M Partlowe, 2015-08-07 Ultracompetitive big shot lawyer John Leeson is preparing for the case of his life In one swoop he can impress his powerful older client and show up his arrogant but talented rival in the DA's office But the pressure is reawakening old insecurities and he borrows what he thinks are a friend's anti-anxiety pills only to discover they release him from a lot more anxieties and inhibitions than he ever bargained for When the pills backfire and the sharp young professional finds himself suddenly helplessly distracted by thoughts he's always managed to repress he'll have to try to make it through the trial without giving in to increasingly powerful temptations But his act is far from perfect and it isn't long before he's starting to get an entirely different kind of attention from the competitive alpha males he originally thought to awe with his legal savvy and getting as much as he can take Reader Advisory This story is for mature audiences only and features intensely erotic situations first time gay experiences multiple partners anal and rough group sex adrenaline and testosterone charged alpha males the use of potent aphrodisiacs and sexual manipulation submissiveness and dominance All characters are 18 or older Excerpt John he said sounding a little surprised I almost thought you wouldn't show your that cute little face of yours His glittering amber eyes ran over me Maybe you think if you came in looking like this you'd distract me But don't worry I can enjoy the view and run circles around your defense all at the same time I flushed in spite of myself but recovered quickly I know you're a creep Lewis You don't have to go out of your way to prove it each time we see each other He grinned Oh but you really have no idea he said low enough that he was sure we wouldn't be overheard That's all I want John a chance to show you just how depraved I can be One night me you and a pair of handcuffs He gestured at my chest Bring those juicy things too if you don't mind I don't know where you usually hide them A pair of handcuffs I asked

doing my best to sound amused instead of intrigued I suppose you know you're not man enough to handle me unless you can tie me down He laughed You misunderstand The handcuffs aren't for anything sexual They're to keep you from chasing after me when I leave Unable to come up with a good response I gave him a sarcastic smile and pushed past him to join the defense table As I went to sit down I realized with a flush of resentful embarrassment that I was a little hard Lewis Dremel had gotten me hard and maybe he had known he was doing it too I forced myself not to look over at his lithe confident form sitting down at the table across the aisle It doesn't matter I told myself One strange little twinge won't stop you from beating him Nothing about his dark handsome face or his suave confidence or the way the image of him standing hungrily over me powerless in handcuffs kept popping into my head none of that would distract me I told myself Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Bimbo Lawyer Series with full consent of the original author
