Answered Prayers Duncan Hamilton, 2023-08-31 A Financial Times Book of the Year 2023 A Daily Express Book of the Year 2023 Magnificent moving often funny and deeply researched account Is this just a book for those who know football Far from it this is a story of glory and the impermanence of fame Sunday Times Book of the Week Like Alf Ramsey's 1966 team this book has depth it has riches and it's a winner the finest piece of sports writing I have read in ages and a superb piece of contemporary history Peter Hennessy England 1966 The World Cup Duncan Hamilton watched England beat West Germany as an eight year old boy in the company of his father and grandfather He recalls Wembley spread out in the sun the waving flags the delirious joy of all joys moment of the final whistle the trophy sparkling in the late afternoon light But seeing the whole game again during the misery of the first Covid lockdown finally made him realise what Alf Ramsey and his players had no inkling of which was what came next for them How for many of those boys of summer almost everything after that shimmering moment amounted to an anti climax or a setback How 66 was not a beginning a guaranteed path towards more success but a slow decline and fall and also a disproportionate number of disappointments And how the triumph of 66 was dulled through constant repetition the same images always flashed before us Hamilton recognised too how many myths and misconceptions had grown around the match He decided to revisit 66 tracing the very roots of a story as well as the hidden figures within it that really began during the era of post War austerity *Answered Prayers* provides at last a full account of English football's greatest achievement and the failures that followed it We see the institutional inability to appreciate Ramsey and his players who were taken for granted the political machinations of the blazered fools who ran the Football Association the short sighted blunderers of the Football League With his matchless insight and descriptive power Hamilton tells history afresh and shows us for the first time the scale of what was won and what was lost PRAISE FOR DUNCAN HAMILTON Hamilton has a perceptively humane understanding of men for whom football was never just a game Guardian A marriage of prose and detail so fine and fastidious that it takes the breath away Independent Justifiably prize winning Mail on Sunday
