last three years Is it a sham or a groundbreaking scientific discovery The scientific polemic turns into a thriller when our main characters become the targets of assassination attempts Who s behind these attacks What exactly are they hoping to achieve It all kicks off While Miep is prepared to do anything to avenge Teehu Delia finds herself in a race against time Along with Gail and the Simorg scientists Camille calls a conference to discuss their latest extraordinary discovery it s not only humans that are connected but all living creatures But which version of the truth will humanity accept Who will pass the final verdict
