West,2024-11-19 Have you tried everything to get your child to sleep and nothing has worked You are not alone Researcher
and sleep coach Macall Gordon and the Sleep Lady Kim West offer a tried and true approach to shifting sleep behavior that
actually works even when nothing else has A tsunami of modern sleep training methods promise easy and quick results and
for many parents and children these methods work as intended However there is a large exhausted group of parents whose
children have sleep problems that are not responsive to those crying based methods These children tend to be more reactive
persistent and perceptive than their peers And when it comes to sleep little ones with this kind of temperament put up a
much much bigger fight They need a different approach That s where Why Won t You Sleep comes in Based on extensive
research and proven methods used with thousands of families just like yours this guide gives you strategies tailored to your
child s unique temperament Readers will learn Why popular sleep training techniques don t work for some children The
strengths and challenges of your child s temperament traits Simple changes to your child s routine and environment that set
you up for success How to create a plan for your child using the time tested approach that doesn t require leaving anyone
alone to cry Tips tricks and workarounds for bedtime shenanigans night wakings co sleeping and more How to confidently
push past plateaus and setbacks Along the way Gordon and West provide much needed encouragement validation and
insights to bolster parents self confidence and resilience Why Won t You Sleep gives you concrete answers to why sleep has
