 in its first century of existence seeking to understand how the organization has lasted and how it has changed Scouting for
 Girls A Century of Girl Guides and Girl Scouts is the first global history of Girl Scouting and Guiding that addresses the
 successes and pitfalls of the 100 year old organization from its beginning in Great Britain through its international expansion
 Since 1910 millions of girls worldwide have been exposed to Scouting While much has changed since 1910 the core values of
 Scouting Guiding are still recognizable in today s programs namely the empowerment of girls through adventure character
 building home skills outdoor pursuits and active learning But has Scouting s very willingness to change with the times
 undermined its original ideologies and fundamentally changed the movement As Girl Scouts and Guides move into their
 second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis
 Given the changing nature of today s societies and the serious problems girls face on a daily basis Girl Guides and Girl Scouts

will need to be true to their motto Be Prepared in order to march forward successfully into the future
